

A practical video guide for cell culture technique

WHAT ARE THE CHALLENGES IN LIFE SCIENCE?

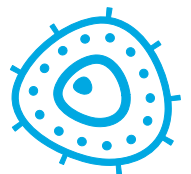

high ratio of students to teachers

laboratory training is highly time consuming

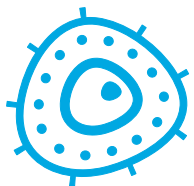

the need for more good quality research

OUR MISSION

- increase reproducibility and standardization in cell culture work
- increase the quality of work in cell culture technique
- implement Good Cell Culture Practice
- set the same standards all over the world

TEAM

two passionate researchers with decades of experience in training students

ASMITA BANERJEE, PhD ADELHEID WEIDINGER, PhD

- cell biology
- molecular biology
- chemistry
- molecular physiology
- biotechnology
- biomedical analysis

WHO BENEFITS?

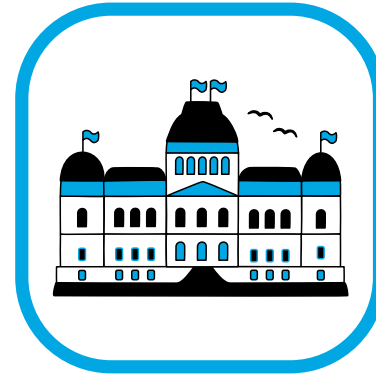

students

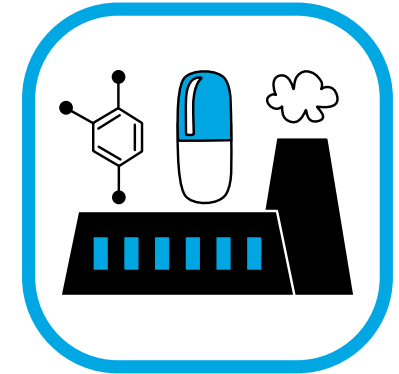

lab technicians

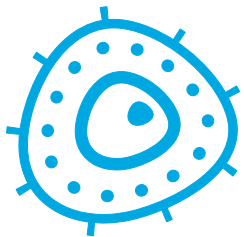

teachers

universities

industry

Our programme is for students, lab technicians, teachers, universities, industry and interested individuals.

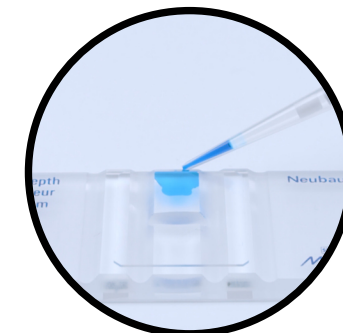

WHAT WE OFFER

VIDEO TUTORIALS

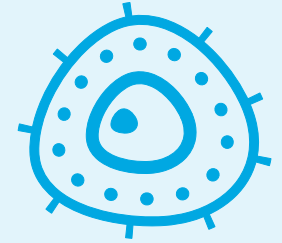

- 96 videos (Ø 3 - 5 min, Σ 5.5 h)
- complete package of technical skills in the cell culture lab
- according to international guidelines for Good Cell Culture Practice
- high quality and easy to follow
- highly condensed information
- online exam and certificate

ON REQUEST

- bulk licences
- lablife training camps
- "train the trainers"

WHAT WE OFFER

video tutorials

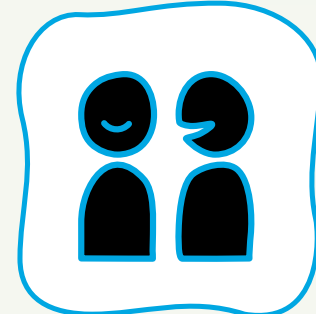

- ✓ *good practices*
- ✓ *workflows*
- ✓ *common mistakes*
- ✓ *do's and don'ts*
- ✓ *tips and hacks*
- ✓ *quick tips*
- ✓ *good habits*
- ✓ *opinions*
- 😊 *and much more*

PRICING

BLINK

0 €

- register
- 3 pre-selected videos for free for 7 days

INTENSE

99 €

118.80 € incl. VAT*

- **1 month** access to 96 videos
- PDF downloads
- exam + certificate
- community access

MOTIVATED

179 €

214.80 € incl. VAT*

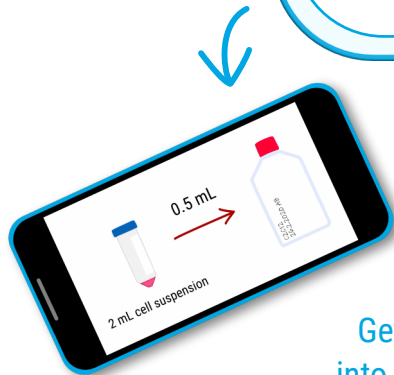

- **2 month** access to 96 videos
- PDF downloads
- exam + certificate
- community access

SUSTAINED

259 €

310.80 € incl. VAT*

- **3 month** access to 96 videos
- PDF downloads
- exam + certificate
- community access

Not sure?

Get a sneak-peek into our programme!

You prefer things in your life to be short and intense?
Or maybe you simply do not have more time?

Then this is the suitable mode for you!

You like to move at your own pace and plan things accordingly?
You are driven by motivation?

This is the right option for you!

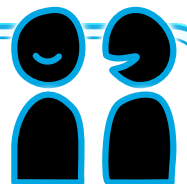

You know that other assignments will cost you time?
Still you want to hold on?

Three months are plenty of time, without making you lose your focus!

* Depending on your delivery address, VAT may vary.

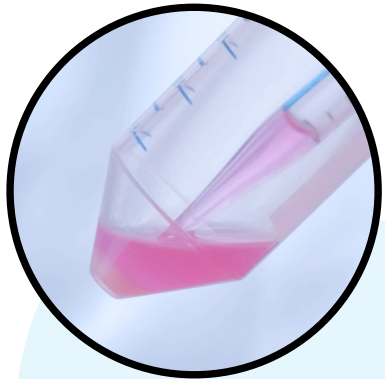

COMMUNITY 4.90 € per month
5.88 € incl. VAT*

join our community with access to an international network, forums; and much more coming soon (webcasts, Q & A sessions, etc.)
